Homecoming planned at Shady Grove

Shady Grove Baptist Church, Highway 125, Elba, will be celebrating homecoming Sunday, September 13.

Reverend Ben Amlong will be the guest speaker for the morning service. The Longworth Family, of Enterprise, will be singing in the afternoon.

Ft. Rucker To Host Indian Summer Festival

Fort Rucker, Ala., The Bogardus S. Cairns Chapter of the Association of the United States Army will host an Indian Summer Festival Saturday, September 26. The festival will be held at the West Beach picnic area on Lake Tholocco.

You can get a plate of the most succulent barbecue you've ever had, along with baked beans, cole slaw and everything else the AUSA has available on the beach. Tickets for the barbecue are \$5 for adults and \$2.50 for children under 12. Tickets will be available from units at Fort Rucker or from any local Chamber of Commerce. Tickets will also be available at the lake that Saturday.

Activities at the West Beach include an Air Assault Demonstration beginning at 10 a.m., with more activities from 11 a.m. until 3 p.m. for the entire family. Included in these activities are a State Equipment Display, a Parachute Jump/Sky Diving, Jet Ski Competition, and a Kiddie Fair and Carnival. There will also be a beach volleyball competition.

ACT Exam To Be Offered At MacArthur Tech.

The ACT ASSET exam for all prospective students enrolling at MacArthur State Technical College will be offered Wednesday, September 16, at 2:30 p.m. There is no fee for the exam. For more information, please call 493-3573.

Elba Needs A Change
Vote Ricky Haywood September 15th

NUMBER 8

Ricky Haywood elected Mayor of Elba

by Marvin McLwain
Editor

The voters of Elba returned to the polls Tuesday in record numbers to elect a mayor.

A newcomer to the political arena, Ricky Haywood, received 796 votes while the incumbent, Fred Moore, got 739.

Mayor-elect Haywood will assume the office of Mayor of Elba on October 5 or the first regular scheduled meeting of the Elba City Council after that date.

When asked what his first reaction was after hearing that he was Elba's new mayor, he said, "I hugged my wife and tears came in my eyes. I was also relieved that the campaign was over."

"I would like to thank the people of Elba for their faith and support and I intend to perform the duties as Mayor of Elba to the best of my ability," said Haywood.

Of the more than 2200 registered voters within the City of Elba, 70%, 1536, of them cast their ballot in the mayor's race.

RICKY HAYWOOD

A total of 187 more people voted in this election than did in the municipal election held on August 25th. It is considered to be highly unusual for more people to vote in an election than did in the initial election.

Joining Haywood in the new administration will be newly elected councilmen Ronnie Jirright and Earl McCollough.

Incumbent council members joining Haywood are Bill Brunson, Wayne Sharpless and Gladys Yeleverton. Brunson and Sharpless were unopposed. Yeleverton defeated L. M. Burch to return to her seat on the city council.

In neighboring New Brockton, the District 2 seat was decided in a run-off election between Rose Ann Lewis and Alma Hornsby.

Lewis was the winner with 63 votes while Hornsby received 52.

Hornsby received the same number of votes as she did in the initial election.

Lewis will be joining Mayor-elect Kathryn Holley and council members Jack Caradine, John Marler, Robert Miles and Charles Cole as New Brockton's new city council.

Councilman Cole was unopposed for his seat on the council.

Holley's being elected was a historical event. She becomes the first lady to be elected as mayor.

ELBA ELECTION RETURNS RICKY HAYWOOD 796 VOTES - FRED MOORE - 739 VOTES

A total of 1536 votes were cast - D. M. English received one absentee vote, Moore received 65 and Haywood received 19. These votes are included in the above numbers.

Crawford's murder trial began Monday

by Marvin McLwain
Editor

The murder trial of an Elba resi-

dent began Monday afternoon shortly after 2 p.m. in the Elba Court-

house.

John Vernon Crawford, age 22, of

315 Burford Street, Elba, AL is be-

ing tried for murder in the beating

death of an Ory man.

In the early morning hours of

Sunday, October 6, 1991, the body

of Ollie Ray Bush, age 45, was

found in the backyard at 357 Brun-

son Circle. He had been beaten and

stabbed to death.

An autopsy report indicated that

Bush had died as a result of blunt

trauma force and sharp force trauma

to the head and neck.

In opening arguments, Assistant

District Attorney Bill Barr, stated

that testimony by state's witnesses

would reveal that Crawford was seen

with Bush and that he admitted to

killing him.

He further stated that evidence

would be presented comparing blood

types and hair samples found at the

murder scene and on the shoes of the

defendant.

David Harrison, of Geneva, AL, the

defendant's attorney, stated in his

opening argument that Crawford

board was warranted.

John Carter was hired to fill the

janitorial position of resigned Ed

Cole.

The board accepted the recom-

mendation of Pearce that a pre-

viously approved part-time pre-

school aide be increased to full time.

Pearce reported that all the trail-

ers have been sold and are awaiting

pick-up.

He added he was well pleased

with the opening of school. The

biggest problem was first-day traf-

fic as an unprecedented number of

elementary parents came with their

children to see the new facility. The

Superintendent explained that the

police handled the traffic flow well

and by Thursday things were mov-

ing like clockwork.

Elba City School Board makes last minute faculty adjustment

by Fern Cox
Publisher

The Elba City School Board hired one teacher and is considering adding another to handle last minute enrollment increases in the system this year.

Karen Morrow was hired to teach Junior High math. Enrollment in the high school has increased 52 over the corresponding time last year.

A large 5th grade enrollment caused a lot of discussion with board members and two attending teachers. There are presently four 5th grades with enrollment of 29, 29 and 30. The board instructed Superintendent Charles Pearce to monitor the situation closely, report back on the matter at the next meeting or call a special meeting if action by the school

board was warranted.

John Carter was hired to fill the janitorial position of resigned Ed Cole.

The board accepted the recommendation of Pearce that a previously approved part-time pre-school aide be increased to full time.

Pearce reported that all the trailers have been sold and are awaiting pick-up.

He added he was well pleased with the opening of school. The biggest problem was first-day traffic as an unprecedented number of elementary parents came with their children to see the new facility. The Superintendent explained that the police handled the traffic flow well and by Thursday things were moving like clockwork.

Mrs. Lindsey celebrates 102 years

Mrs. Minnie May (Payne) Lindsey celebrated her 102nd birthday on Wednesday, September 9, 1992. Friends and relatives dropped by the home of Mr. & Mrs. Sam Collier where a reception was given in her honor. Mrs. Lindsey's son, Rev. John Frank Lindsey, joined his mother in greeting the many friends who came by for this very special occasion. Born in Crenshaw County in 1890, Mrs. Lindsey later became the wife of Mr. George Lindsey and moved to Coffee County in 1919 where she has resided ever since.

The chief also informed Cole that

New Brockton's council meeting touchy

by Marvin McLwain
Editor

The New Brockton City Council's final meeting Monday night, before the new administration takes over, ended on slight note of controversy.

After all the regular business matters had been addressed by the council, Mayor Jim Driskell polled the councilmembers for any matters that they might wish to discuss.

Councilman Charles Cole presented a list of equipment that had been given to Kathryn Holley, mayor-elect, by Police Chief Richard Nichols.

Holley was in attendance at Monday night's council meeting.

The list was composed of various radio, computer and office equipment that reportedly belonged to Chief Nichols and was on loan to the New Brockton Police Department.

According to Nichols, the purpose of the list was to make Holley aware that these items were his personal property and did not belong to the city.

Councilman Cole's questions were whether or not this equipment was donated to the city, was it paid for through the city, was it covered under the insurance, did the city pay for any repairs to the equipment and had any of the items listed been removed from the building?

After a long pause, Mayor Jim Driskell said, "We'll have to ask the chief because I'm not familiar with these things individually. I do know that he has a lot of his equipment that he's using."

Chief Nichols stated that none of the equipment was purchased through the city but that it was covered under the city's insurance.

He stated that 80% of the time the equipment was repaired by him when it was needed.

The chief also informed Cole that

some of the equipment had been removed from the premises.

Chief Nichols stated that he had planned to donate several items on the list to the city and sell other of the items to the city at a "good price."

The total price paid for the items on list was \$9,745.00.

A lengthy discussion followed on why the chief had purchased the equipment in the first place. The reason given was that it was done because the equipment was needed and the town did not have the funds available, at the time, to purchase it.

Cole expressed his concern that he was not informed of this matter prior to Monday night's council meeting.

He also felt that an agreement concerning the disposition of this equipment, should the need arise, should have been made between Chief Nichols and the present administration long before now.

John Marler and Robert Miles, councilmen-elect who were also at the council meeting, expressed their concern that some of the equipment being removed my place the town in jeopardy.

They, along with Holley, felt that this matter should have been resolved prior to the new administration's taking office.

Mayor Driskell and Chief Nichols stated that nothing would be done that would jeopardize the welfare of any of the town's citizens.

The discussion, along with the council meeting, ended with Mayor Driskell suggesting that the new administration set down and talk with Chief Nichols on the matter.

In other matters, the council took the following action...

***Mayor Driskell announced the present council will meet Wednesday (Sept. 16) to certify Tuesday's election results.

***Approved payment of the monthly bills.

***Agreed to pay the Coffee County Sheriff's Department \$10.00 per day per prisoner for city prisoners housed in the county jail.

***Reviewed the zoning map presented by Lenwood Herron with the Southern Research Center. Approval was given, with changes, for the preparation of the final zoning map.

She told commissioners that "we must not allow a regional landfill to be installed in our beloved county."

Quoting from the scriptures, Griswold told commissioners that "we are nearing the 'Great Tribulation'."

She contends that where regional landfills are located the air will become unbreathable, that water undrinkable, and the food uneatable due to the contamination of the leaking landfills.

"What we wrestle against, and this is familiar scripture to all of you, is not flesh and blood but spiritual wickedness in high place," Griswold

Commissioners agreed to consider Hand's request.

Annette Griswold, representing the Concerned Citizens of Coffee County group, addressed the commission concerning the proposed landfill from a "Christian perspective."

Hand said that all of the increase funding, should the commission agree to the request, would remain in Coffee County.

Hand gave two other reasons for needing the increase in funding.

One, was that he was in need of new transportation. He said his old station wagon was worn out.

The other reason he gave was that the federal government would only be paying 50% of his records librarian's salary. In the past, the feds have been paying the librarian's total salary.

Commissioner Jim Dubose suggested that Hand get with County Engineer Mark Pool concerning a vehicle. He told Hand that Pool might be of some assistance in obtaining a car from the state's surplus vehicle lot.

Commissioners agreed to consider Hand's request.

Gant is the Alabama Power District Manager for the Enterprise area. Pictured from left are: Dr. Tim Alford, ESJC Dean of Development; Susan Sieck, Counselor; Freddie Alford, Counselor; Gant; and Dr. Mary Bauer, ESJC Dean of Continuing Education.

Helping Tomorrow's Leaders Today

Materials for the 1992-93 Coca-Cola Scholars Program are available in over 19,000 high schools across the United States. This merit-based scholarship program awards 150 scholarships each year, making it the largest business-supported scholarship program of its kind.

High school seniors can compete for 50 four-year \$20,000 scholarships and 100 four-year \$4,000 scholarships, for study at any accredited U. S. college or university. Selection is based on leadership, achievement and commitment, both inside and outside the classroom.

The Coca-Cola Scholars are a very diverse group. Last year's recipients included a young man who achieved high academic success and spent many hours volunteering in his community while living in a group home; young people who volunteered through Appalachia Service Project, Habitat for Humanity, United Way and other organizations to rebuild communities. Young people who are deeply concerned with environmental issues, and initiated recycling programs. Young people who

are concerned about the homeless and the hungry, and initiated clothing drives and soup kitchens.

More information and an application for this unique scholarship may be obtained from the scholarship coordinator at your high school. The application deadline is October 31.

New Teacher At Zion Chapel

by Tracey Jernigan
Mr. William Douglas Branson joins the teaching staff at Zion Chapel. Mr. Branson was born in Salisbury, Virginia, where he graduated from R. B. Worthing High School. He graduated from Birmingham Southern College with a major in Health, Physical Education and Recreation and a minor in English.

He is married to Mrs. M. Branson and has two children, Doug and Stephanie. Doug is 20 years old and is currently attending George Wallace Jr. College in Dothan. Stephanie is a 17-year-old senior at Goshen High School.

SUPPORT THE REBELS

Rebels Hold Pep Session

by Christie Eddins
The Zion Chapel Rebels held their first pep session on Friday, September 4, 1992 to raise the spirits of the students to a high level for the game against Goshen Eagles.

The session began when the Zion Chapel Marching Band came into the gymnasium. The cheerleaders then performed a dance for the student body and introduced their new cheerleader sponsor for the 1992-93 season, Mrs. Michelle McInnis.

Principal Robert Black spoke to the students about the game and how he hoped it would be a successful season. Coach David Collins introduced the team captains for the game who were Toby Wambles, senior; Bruce Cole, junior; Kevin Sheets, sophomore; and Roy Stewart, freshman.

Chris Hodge was awarded a plaque displaying admirable characteristics in the classroom. Award is presented after a vote, by secret ballot, of the high school staff. The ZC Band then played the song "Elipse" while the new Rebel Mascot, Patrick Richards, threw candy to the students.

Z. C. Junior Varsity Football

by Nicki Pilcher
The Zion Chapel Junior Varsity Football team traveled to Highland Home to take on the Flying Squadron and arrived home with only a two-point loss.

The Rebels took the ball in the opening play. They could not manage to make enough yardage and had to punt to Highland Home. With little time to waste, the Flying Squadron carried the ball down the field to make their first touchdown. They then added the extra points to give them an eight-point lead over the Rebels.

The rest of the first half the ball was handed back and forth between the two teams with no score from either.

Third quarter opened with Highland Home again making a touchdown and upping their score with a two-point conversion giving them a lead of 16-0. The Rebels fought hard through out the game and were finally on the scoreboard when they scored with 2 minutes and 30 seconds left in the fourth quarter. The touchdown was scored by Willie Ingram and Roy Stewart added the two-point conversion. The Rebels were now behind only eight points. Highland Home again tried to carry the ball down the field but turned the ball over to the Rebels, who recovered the ball. This gave the Rebels another chance to come back and show their power. Shane Moran completed a 66-yard pass to Corey Flommy with only 23 seconds left on the clock. This awesome pass gave the Rebels another touchdown which gave Highland Home a lead of only 16-14. The Rebels struggled to make the extra points but were disappointed when the points failed. The game ended with the Flying Squadron taking the victory by a score of 16-14.

Community Chorus At ESJC

A mixed Community Chorus is being organized through Enterprise State Junior College. This year's group will prepare and present a major Christmas work (Saint-Saens: Christmas Oratorio; Vivaldi: Gloria; or Menotti: Amahl and the Night Visitors). The group will meet from 6:30 - 8:30 p.m. Tuesday evenings beginning October 6. There will be a concert in early December. Call 393-ESJC, ext. 218, for details.

GED & CLEP Tests Available At ESJC

The GED Test of high school equivalency is given at Enterprise State Junior College on most Thursdays. The College Level Examination Program (CLEP) Test is also scheduled each month at ESJC. For more information call 393-ESJC.

Thursday - Spaghetti, Fish Sandwich, Cole Slaw, English Peas, Choice of Fruit, Garlic Bread, Milk.
Friday - Barbecue Sandwich, Tuna Salad, Battered Corn, Fried Okra, Choice of Fruit, Rice - Bonus, Milk.

Home Economics Class Activities

by Sandy Jacobs
How to manicure your nails and how to shave properly were demonstrations presented by Mrs. Jean Donaldson and Mr. David Jackson during a Basic Home Economics Class.

Mrs. Donaldson is from Sericea's Family Hairstyles in Jack and Jean's Beauty Shop of New Brockton. She gave Susan Ingram and Shannon Ellis a manicure. She also answered questions and shared materials showing the different shapes of nails and the problems sometimes encountered. Each student was given an emory board and shown how to file their nails properly. Each student learned how to apply lotion to their fingertips and push back their cuticles. Mrs. Donaldson stressed the importance of keeping your nails healthy and clean.

David Jackson, a nursing student and graduate of Zion Chapel, presented a demonstration for the male students on how to shave using a disposable razor and shaving cream. In this process the blade protector was left on the razor while Heath Vaughan performed a mock shave. Afterwards, Mr. Jackson demonstrated the use of an electric razor on Shannon Ellis. David presented some useful tips on how to make shaving an everyday and painless habit. Each student was given a disposable razor to take home to use.

These demonstrations were done in the Basic Home Economics class taught by Mrs. Melinda Hodge and Mrs. Joan Hobbs.

Z. C. Has New Speech & Drama Class

by Dawn Nelson
Zion Chapel High School has added a new addition to their classes this year, Speech and Drama. The new class is taught by Mrs. Sonya Shaw.

The first three days of class the students did a "Show and Tell". Each student brought something from home with which they closely identified.

The class then started with demonstration speeches. To break the ice, Mrs. Shaw demonstrated how to bake brownies. The lunchroom ladies baked the brownies and they were served to the students with ice cream.

Some demonstration speeches done by students were reading hard, making homemade burritos, showing football drills, building cheerleader pyramids, and taking good photographs.

The class also studied group dynamics and basic vocabulary about dramatic terms.

One demonstration was the making of origami birds done by Jeffrey Jones. Origami is the making of objects from paper. It is made with a series of folds and a few flips. The wings of Jeffrey's bird flapped when the tail was pulled.

Pictured are (l-r): Front Row - Laura Brown, Steve Dunnivant, Christie Eddins, Angie Ellis; Second Row - Chris Green, Bridget Greenwood, Randy Jackson, Kim Jennings; Third Row - Jeffrey Jones, Felicity Littlefield, Michael Parker, Nicki Pilcher; Fourth Row - Arlene Pridgen, Bobbie Simmons, Sonya Simmons, Shannon Ziglar, Cassie Moran.

Junior Class Activities

by Keelia Griffin
The junior class has recently started their activities for the 1992-93 school year. On August 28 they started the annual magazine sale. The program was run under the auspices of O.S.P., a subsidiary of Reader's Digest. The purpose of this program is to bring reading materials and listening materials into the home and to raise money for the prom. The juniors sold magazines until September 11.

There were many prizes for selling magazines. For selling four magazine subscriptions a student got a class key chain. For selling eight magazines the student chose from a class bear or a Dip or Dip plane. If they sold twelve magazines they got either an Alabama or Auburn squeeze bottle. If they sold twenty magazines they got a Zwiil Ball or a Brewster Bear and for thirty magazines they got a pair of sunglasses.

For the first-day highest salesperson, they received a computer disk certificate. If the class reaches its goal of \$5,000, the highest salesperson gets \$50. If the class reaches less than \$5,000, the highest sales person gets \$30. If the class sells less than \$4,000, the highest salesperson gets \$25.

The juniors have also received their class rings. They decided on which one they wanted and ordered them during the spring of their sophomore year. They made payments on the rings during the summer and after getting the rings they started the tradition of turning the rings. This year the rings will have to be turned 94 times, because they will graduate in 1994.

FBLA RECRUITMENT PROJECT

by Laura Brown
Students enrolled in the Office Procedures class, who are all members of the Future Business Leaders of America (FBLA), recently completed a project to aid in the recruitment of new members for the Zion Chapter of FBLA.

The project assignment was to write a letter and to draw a poster that would encourage Zion Chapter students to join FBLA. The letters were written on 8 1/2" by 11" sheets of unlined paper and had to contain certain facts about FBLA. The posters were drawn on a piece of poster board that was supplied by FBLA's sponsor, Mrs. Rachel Bryan. Included on the poster was a leprechaun, a pot of gold, and the words "Invest in the Future". Join FBLA Today! "Invest in the Future" is the name of the 1992-93 State FBLA project. The class turned these projects in and they were graded, returned, and put up in the halls of the high school for all students to see and hopefully join FBLA.

Six Weeks Reporting Period

Report cards will be sent home on the following dates: October 7, 1992, November 18, 1992, January 13, 1993, February 24, 1993, April 21, 1993, and May 26, 1993.

Nine Weeks Reporting Period

Report cards will be sent home on the following dates: October 28, 1992, January 6, 1993, March 19, 1993, and May 26, 1993.

There's A Reason Why We Call It Home.

What is it that makes a bank feel so much like home? Maybe it's that sense of security, reliability, and trust. A sincere greeting of welcome each time you stop by. A spirit of friendship - bankers that take time to help their neighbors. Bankers who share a mutual pride and concern for the community. That's just what you'll find at your local independent community bank - a place you can call home.

The Governor of the State of Alabama has declared September 15th - 21st Independent Community Banking Week in Alabama. A time to focus on the importance of real hometown banking.

A Heart Beat of your community - your independent community bank.

THE PRESSBOX

By Ricky Mulazr

The opening week of school and daycare is now history, and at the Mulazr house everything went smooth as both girls made it on time every day. Melissa had no problems picking out her clothes and getting her hair brushed, while Melanie could care less what she wears and the only problem she had was a reluctant face washing. Now, if Mom and Dad can only get over having to get up at six o'clock every morning.

TIGERS UNLEASH RUNNING ATTACK IN WIN #2

The Elba Tigers unleashed a powerful running attack on the visiting Georgiana Panthers Friday night and simply ground the visitors into the turf of Miller Stadium as the seven Elba backs rolled up almost 400 yards rushing in the Tigers' big 35-14 win.

The Elba offensive line of Kevin Bryan, Bryce Phillips, Phillip Compton, Heath Wyrodick, Lance McCollough, Julius Peterson and Joe Donaldson butted heads against the huge defensive front of Georgiana throughout the game and repeatedly knocked the Panther defenders backwards to open holes for the backs to run. The results were impressive, to say the least, as the Tigers ran up and down the field against a good Georgia team.

While the line was opening holes, the backs were filling them quickly and then heading downfield as the Tigers stable of runners never eased up on their opponents. Senior tailback Greg Thigpen had another big night with 179 yards on 23 carries, while backup tailback Teddy Burks came on in the second half to give Thigpen a breather and responded with 65 yards on only 6 carries, an average of almost 11 yards per carry. Fullback Jamie Brockton bulled for 63 yards before wearing down under the weight of playing both offense and defense on a hot night, and his replacement, sophomore Detrick Kyles, never missed a beat as he gained almost 50 yards in the middle and marched off the field with half the show still left to go.

Maybe the next time Elba plays a home game they'll turn off the clock, like they did in Troy in the opening week.

SPORTS

In key Class 3A, Area 4 clash

Elba Tigers brace for battle in Luverne

The Elba Tigers will hit the road for the second time in three weeks Friday night when they travel to Luverne to battle the defending state champion Luverne Tigers, in a key Class 3A, Area 4 matchup.

Elba will carry a 2-0 record into the contest after wins over Charles Henderson 19-0 and Georgiana 35-14, while Luverne will enter the annual grudge match with a 1-1 record, with a loss to Ashford 12-7 and a win over W.S. Neal 23-19.

"When Elba and Luverne get together there isn't much you have to say," said Elba's Coach Mack Wood. "We have played Luverne since they put stripes on the football and it's been a rivalry game with a level of intensity rarely seen at the high school level. All you've got to say is 'Elba versus Luverne' and everyone knows what kind of game to expect."

"Luverne may be 1-1," stated Wood, "but don't let that fool ya. They opened up against two very good 4A football teams and are just as good as ever."

"On offense," said Wood, "they are much more balanced than in years past. They found out last year against us that they had a good passing game, and used it the remainder of the season as they swept through the playoffs. This year they have a couple of real quick backs, and have their quarterback back from last season, and he is a good one. Luverne can hurt you running and passing, and is much better offensively than they have been."

"Over on defense," added Wood, "it's still Luverne and that means they are very aggressive and love to hit. They have an outstanding defensive line that plays hard on every play, and as always, has linebackers

that will run you down and try to knock you out. Luverne has always been a very good defensive football team and this year is no different." "If you are going to have a chance of winning," said Wood, "we'll have to continue to play well in the offense and use a very smart selection of plays to keep Luverne from loading up at the line and sending everybody they've got on every play. We know Luverne will be aggressive on defense and will turn their linebackers loose, so we'll have to block well all across the line and be extremely physical. Our backs will have to push back. Our offense will have to play its best game of the season and give 100 percent on every single play."

"Our defense will be challenged on every play," added Wood, "and will have to be physical, and at the same time be smart and not have any breakdowns in assignments. The line will have to be physical against Luverne's outstanding offensive line and the ends will have to be alert and at the same time play hard every play. Our linebackers and backs will have to help against the run, but must always make sure they read their keys and are ready for Luverne's passing game. It will be a challenge for our defense to stop Luverne, but a challenge it will be looking forward to."

Luverne knows what we are going to do," said Coach Wood. "And we think we know what they are going to do. The team that wins the game will be the team that is the best prepared and the team that is able to be physical and smart. Sometimes it comes down to who wins it the most and we'll find out Friday night which team that will be. It's just another Elba-Luverne game and that's enough said."

When asked about last week's 35-14 win over Georgiana, Coach Wood stated "We came out a little flat in the first half, but you have to give Georgiana a lot of credit. They came to play and have an very good football team. They took the fight to us and we were able to come back in the second half and have enough pride and dedication to take charge and win the football game."

"Our offense moved the ball well all throughout the game," said Wood, "but like in the opening game we made some mistakes that kept us out of the endzone. In the second half we dominated in the line and were able to use a lot of backs, which meant we were able to keep backs fresh and running hard. The line did a good job at the point of attack and was physical against a big and strong Georgiana defense. That push us back. Our offense will have to play its best game of the season and give 100 percent on every single play."

"Our defense had some problems up front," Wood stated, "but some of it was caused by a good Georgiana line and some very good backs. The line fought until the final horn and gave it a winning effort." "We had some breakdowns in the secondary that were obvious," said Wood, "but they were caused by mistakes that we can correct. We'll just have to work hard at practice, learn our assignments and then execute in the game. The defense gave up some yardage, but played hard and played well."

"The opener against Charles Henderson was a tough one," Wood said, "but the second one wasn't any easier. Georgiana has a good team and it took a winning effort from our players for us to win the game. It was a good, hardfought win, and one that we are mighty proud of."

they did up in Troy in the opening week. The show may have been short, but you can't say the band made any penalty for delay of game!

ELBA PROGRAMS JUST KEEP GETTING BETTER

The Elba football program has long been recognized as one of the tops in the state, and this year's edition may very well be the best ever! The Athletic Club puts the program together every year as its major fundraiser, and with the help of the varsity cheerleaders, sold more ads than ever this season.

The merchants are to be commended for their support of the Athletic Club and the club members are to be commended for their hard work and the fine program they put out.

Oh yea, the cost of the programs increased this season to \$2, and I'm sure there were some folks who were more than a little surprised. It costs over \$3 per program to have the programs printed, and while the ads do bring in lots of money, the time had come to raise the price of the programs. At least you get your money's worth!

WEEK #2 FINDS TWO WINNERS IN AREA

The second week of the football season saw Brantley improve its record to 2-0 and the Kinston Bulldogs get in the win column, while New Brockton suffered a heartbreaking last-second loss and Zion Chapel continued to struggle. Here's a quick look back...

BRANTLEY made it two straight wins as the Bulldogs blanked Red Level 21-0. The Bulldogs used a more conservative offense and a stingy defense to handle the Tigers, which were expected to provide a solid challenge. The Dawgs have now whipped two good teams. Ain't payback fun!

KINSTON got in the win column by posting an easy win over Zion Chapel. The Bulldogs have always had success against teams that weren't real quick, and don't have the size to match the Dogs, and the same was true Friday night. Kinston isn't that bad a 1A team and should win a bunch before the final whistle blows.

NEW BROCKTON showed improvement against a solid Long team and almost pulled off win #1, only to fall in the closing seconds. The Gamecocks may be 0-2, but they are far from being a weak team, and in weeks to come they will start coming out on top. Remember who sold ya!

ZION CHAPEL had another tough week, but did show improvement in the loss to Kinston. The Rebels, and their fans, must remember that this year's team is young and inexperienced, and will find the wins and far between. The thing to remember is that the players are working hard and deserve the support of the school and its fans. Don't let the losses dampen your spirits and don't let the kids down. They are giving it their all in what they know would be a tough year!

WEEK #2 BRINGS MORE SURPRISES ACROSS STATE

The high school football season is now two weeks old and already there have been enough surprises to last an entire season. Here are a few I noted last week, along with a few other observations...

CLASS 1A - Since Courtland only plays six games, and lost its opener, the most games the Chiefs can possibly win is five. Don't let the low win total fool you! Courtland dumped Colbert County, ranked #1 in 3A, last week 19-14, and it looks like Courtland is still the team to beat in 1A circles. The biggest surprise? How about McKenzie. The defending 1A champs have lost two straight games and have been outscored by a total of 71-0 by Georgiana and Flomaton. Ouch!

CLASS 2A - Straughn has become one of the state's most consistent winners under the direction of Coach Trent Taylor and last week kept on rolling with a 42-20 win over Florala. Straughn's Damoon Gantt gained 266 yards and scored 6 touchdowns in the win. Not a bad night! Cottonwood, weakened on the field (but strengthened off the field) by the suspensions of several players, got shelled 56-0 by Miller County, Georgia.

CLASS 3A - The Geneva Panthers are going to an 0-1 record last season under former Panther basketball coach Jim Bibby; however, Bibby now has the ball bouncing his way and Geneva went 2-0 last week with a 32-7 win over Headland. I guess the folks over in Rehobeth have a right to be excited. After all, two straight wins are something to be about. However, the Rebels aren't quite ready to take on the world quite yet. The Rebels have posted lopsided wins over lowly Cottonwood and Dale County to go 2-0, and are already talking about the playoffs. Isn't it funny what a change in areas can do?

CLASS 4A - T.R. Miller was exposed as being human in its slim win over Andalusia in its opener, then last week came back to earth with a thud after falling to Thomasville 28-25. The Tigers had won 28 out of their last 29, so the folks down in Brewton will probably forgive the rare setback. Opp, Pike County and Daleville are ranked numbers 2,3 and 4 this week in the 4A polls, making their area one of the best ever.

CLASS 5A - Sometimes you better win when you can't! Greenville upset its record to 2-0 last week with an impressive 21-10 win over 6A Ozark and it looks like the Tigers are back on track after last year's slump. I hope they can still look back and smell the roses after butting heads this week with Robert E. Lee, the nation's #1 ranked team. An up and coming power may be Daphne, a school that is only three years old. The Trojans whipped Foley 30-0 last week and have now outscored their first two victims 56-0!

CLASS 6A - Enterprise was talking state championship after a big opening win over Jess Lanier, but got bumped last week by Dohan 26-21. The Wildcats have one of the top 6A teams in the state, but talk is often eaten early in the season. Prattville journeyed down to Niceville (remember that trip?) and got shelled 41-22 by the Florida power. Maybe they enjoyed the beach!

PREP POLISH PICKER POPS PREP PREDICTIONS

Yep Ole Polish Prognosticator was smiling this week when he stopped by Enterprise. He was a little quieter after being asked about some of his misses, but did mutter something about last week's solid 21-7 week and his 39-14 state after the opening two weeks. Here are his picks for week #3...

ELBA VS. LUVERNE

These two teams have been among the state's best in the 3A ranks for years, and in the past three years have combined to win a pair of state titles. When they get together it often resembles a war, not just a high school football game. This year the battlefield will be in Luverne, which could swing the odds towards the Tigers from Crenshaw County. If that's the case, let's call it an upset!

ZION CHAPEL VS. NEW BROCKTON

The Rebels were just what the doctor ordered last week for the Kinston Bulldogs, and the same prescription will no doubt work this week for the winless Gamecocks. The only good news for Zion Chapel is that next week they don't play!

NEW BROCKTON 40 ZION CHAPEL 6

KINSTON VS. FLORALA

The Bulldogs got in the win column last week with an easy win over Zion Chapel, and many Kinston fans are expecting another easy time this week against winless Florala. Not! The Wildcats have begun to grow teeth after a couple of lean years and could get a little "wild" this week. UPSET SPECIAL OF THE WEEK!

FLORALA 26 KINSTON 24

BRANTLEY VS. GOSHEN

The Bulldogs continued to make believers last week with an impressive win over Red Level, and this week will get a chance to make a lot more when they travel to Goshen to battle the 2A Eagles. This one won't be easy. BRANTLEY 21 GOSHEN 8

Tigers rush for 393 yards

Elba Tigers stomp Georgiana 35-14

By Ricky Mulazr, Sports Editor

The Elba Tigers used a relentless ground attack in the second half to pull away and post a big 35-14 win over the Georgiana Panthers, Friday night in Miller Stadium.

The win improved the Tigers' record to 2-0, while Georgiana slipped to 1-1 with the loss.

Elba's defense caused the first turnover of the game early in the opening stanza when linebacker Jamie Brockton jarred the football loose from a Panther runner and sophomore tackle Bo Boyd recovered at the Tiger 39-yardline.

The Tigers quickly began a march toward the Georgiana goal line and behind the running of Brockton and Greg Thigpen moved to a third down and two to the Panther 7-yardline.

The drive ended as suddenly as it had begun; however, as on the third down play Thigpen was hit and fumbled the ball back to the Panthers at the Georgiana 4-yardline.

The two teams swapped punts until early in the second quarter, when the Tigers began their first scoring march of the night, covering 56 yards in 7 plays.

Greg Thigpen gained 22 yards during the march, while Jamie Brockton added 26 yards and got the touchdown on a 1-yard blast. Josh Caldwell added the first of his five extra-points and with 6:25 left in the half the Tigers were on top 7-0.

Georgiana started a drive at the Elba 26-yardline in the half following a short punt and needed only three plays to catch the Tigers at 7-7.

The score came on a 7-yard run by Cedric Smith, and Rod Peterson added the p.a.t., as Georgiana pulled even at 7-7 with 2:29 left in the second quarter.

Perry Simson returned the ensuing kickoff 59 yards to put Elba in business at the Georgiana 35-yardline, and this time it was the Tigers that needed only three plays to reach paydirt!

A 7 yard run by Greg Thigpen moved the Tigers to the 28, where on third down and three, Keith Grantham hit Joe Donaldson on a short pass and the 200-pound tight end ran over two Panther defenders enroute to the endzone. Josh Caldwell booted the p.a.t. and with 1:37 left in the half the Tigers were ahead to stay with a 14-7 advantage.

Elba had a chance to blow the game open in the closing seconds of the half when D.J. Belcher yanked the ball loose from a Georgiana runner on the ensuing kickoff and Chris Kelley recovered on the Panther 19-yardline. However, an apparent Greg Thigpen touchdown was nullified on a penalty and on the final play of the half a 34-yard field-goal try by Caldwell sailed wide, leaving the Tigers with a 14-7 halftime lead.

Elba received the second half kick and displayed its power on the ground as the Tigers marched 80 yards in 12 plays to add to their lead.

The only pass of the drive was a big 16-yard gain on third down and 7, from Keith Grantham to Aaron

Tiger tailback Greg Thigpen (47) turns the corner on the Georgiana defense enroute to a big gain. Thigpen gained 179 yards in the 35-14 win as Elba upped its record to 2-0.

Greg Thigpen gained 179 yards on 23 carries and scored one touchdown to lead Elba, which ground out 393 yards on the ground, while Teddy Burks made 6 tackles and 6 carries, all in the second half. Jamie Brockton gained 63 yards on 13 carries and Detrick Kyles gained 48 yards on 10 carries.

Keith Grantham gained 16 yards on 3 carries and hit on 4 of 9 passes for 86 yards and two touchdowns.

Teddy Burks made 6 tackles and 6 carries, all in the second half. Jamie Brockton gained 63 yards on 13 carries and Detrick Kyles gained 48 yards on 10 carries.

Elba Junior Tigers drop opener to Dauphin 19-6

The Elba Junior Tigers opened the season on a losing note Thursday night when they fell to the Dauphin Dolphins 19-6, in Elba.

The Dolphins used a 60-yard punt return and a 70-yard touchdown pass to grab a 12-0 first quarter lead over the Junior Tigers, then increased their lead to 19-0 in the second stanza on a 10-yard scoring pass.

Elba avoided the shutout on the

final play of the game when Rosco Coleman scrambled 11 yards for a touchdown.

Bringing Economy, Efficiency & Production Together

AREN'T WE GETTING CLOSE TO THE SIDELINES YET? A Kinston runner and Zion Chapel defender stop as they get near the fence during a play in Friday night's 33-6 Bulldog win. The Rebels will play New Brockton this week, while Kinston will host Florida.

Inadvertent whistle nullifies TD

Gamecocks fall to G.W. Long 21-20

By Greg Brunson, Sports Writer

The New Brockton Gamecocks played their 1992 home opener Friday night against the G.W. Long Rebels and showed that better times are on the way for Gamecock football.

The New Brockton Gamecocks played their hearts out only to see their hopes of victory dashed with 44 remaining in the game as Long claimed an exciting 21-20, come-from-behind victory.

The Rebels wasted little time getting on the scoreboard as they scored on each of their first two possessions.

The first touchdown came on a 40-yard pass from Pat Watson to Clay Strickland with 8:11 left in the first quarter. The scoring pass capped a 52-yard drive that took only five plays. Ryan Tremey added the p.a.t. to make the score 7-0.

On its next possession, G.W. Long went 42 yards in 6 plays to again find the endzone. Mitchell Hunter got the touchdown on a 3-yard drive over the right side of the line with 4:01 remaining in the first quarter. Tremey's conversion gave the Rebels a 14-0 lead.

The Gamecocks took the ensuing kickoff and raced downfield for their first points of the season.

Chris Green scored the touchdown on a 5-yard run around the right end, capping a 70-yard drive that took 7 plays. The extra-point try failed, but the Gamecocks had chopped the deficit to 14-6 with 11:52 left in the half.

The big play in the scoring drive was a 45-yard pass completion from Sean Stuckey to Ellison that moved the football to the Long 6-yardline.

Long took the kickoff following the New Brockton score and quickly moved to the Gamecock 41-yardline. On second down and 10, Chris Green intercepted a Pat Watson pitchout and raced untouched 50 yards for a touchdown. A pass for two points from Stuckey to Cason tied the game and with 8:55 remaining in the half the Gamecocks had knotted the score at 14-14.

After a 43-yard punt by Long,

New Brockton began its next possession at the Gamecock 32-yardline. Two big runs by Curtis Threatts quickly moved the Gamecocks into Rebel territory, and Chris Green capped off the scoring march with his third touchdown of the night, this one coming on a 6-yard run around the right end.

The 12-play drive included only one pass, a key third down completion from Stuckey to Cason.

The p.a.t. again failed; however, leaving the Gamecocks with a 20-14 lead with 4:31 left in the half.

New Brockton threatened once more before the end of the half, when Sean Stuckey intercepted a Pat Watson pass and returned it to the Rebel 42-yardline. The half ended as Cedric Williams cracked down to the 25-yardline with yet another Stuckey completion.

As the second half opened, Long took the ball and marched from its own 38 to the New Brockton 15-yardline. On second down and three, Pat Watson pitched out to Chris Pruitt and the ball was fumbled. A New Brockton defender scooped up the loose ball and raced into the end zone for an apparent touchdown, only to have the play, and the Gamecock touchdown, nullified because of an "inadvertent whistle."

The Gamecock defense held after the play was rerun, and New Brockton took over at the 20.

From there, the Gamecocks put together an 18-play drive that moved New Brockton to the Long 8-yardline. The drive stalled; however, and the Gamecocks were forced to turn the ball over on downs.

The drive ate up 10:28 of the clock and one of the big plays in the drive was an 18-yard pass from Stuckey to Odie Thompson.

An exchange of punts gave the Rebels a last chance with the ball at the 12-yardline. Long was up to the task, as the Rebels drove 71 yards in 12 plays for the game-winning score.

The touchdown came on a 17-yard pass from Pat Watson to Clay Strickland with only 44 ticks left on the clock. Ryan Tremey drilled the extra-point and the Rebels were back

on top 21-20. New Brockton returned the ensuing kick to midfield, but saw their hopes for a win fall as four passes fell incomplete.

"Man was that inadvertent whistle ever a big play!"

McKinnon Selected GSC "Player of the Week"

University of North Alabama red-shirt freshman Ronald McKinnon of Elba has been named Gulf South Conference Defensive Player of the Week by the league office in Birmingham.

McKinnon, who earned a start at linebacker in his first collegiate game with the Lions, had 13 tackles and 5 assists and recovered two fumbles in UNA's 17-16 win over Central Missouri State.

He returned two fumbles for a total of 40 yards, with each stopping Central Missouri drives deep in UNA territory.

The 6-foot, 207-pound McKinnon played linebacker, running back, tight end and defensive back for Elba High School.

North Alabama, now 1-0, opens its Gulf South Conference schedule Saturday at home against Mississippi College.

Kinston ambushes Rebels 33-6

By Phillip Miles, Sports Writer

The Kinston Bulldogs looked like a team with something to prove Friday night. After last week's season opening loss to Straughn, in which big plays spelled their doom, the Bulldogs came out to show their fans they were indeed a better team than the one they watched a year ago. They did just that!

The Kinston Bulldogs proved that the opening loss wasn't a real indication of what to expect as they drubbed the Zion Chapel Rebels 33-6, Friday night in Kinston.

Kinston's Daniel Sims fielded the opening kickoff and raced 65 yards to put the Bulldogs in business immediately at the Zion Chapel 16-yardline.

The Dogs needed only one play to reach paydirt as on the first play from scrimmage Marcus Cook plowed his way off left tackle 16 yards for the night's first touchdown.

The extra-point try failed, but with only 25 seconds gone in the first quarter Kinston was on its way with a quick 6-0 lead.

The Rebels started their first drive at the 7C 38-yardline following a good return by Roy Stewart and the Rebs moved to one first down on a 7-yard pass from Chris Hodge to Jerry Johnson. A delay of game penalty slowed the drive; however, and the Rebels had to punt, with Kinston regaining possession at the 11-yardline.

The Bulldogs' first drive took only one play, but Kinston showed it could also move the ball long distances, as the Bulldogs marched 89 yards in 12 plays to add to their lead.

Key plays in the long scoring drive were a 24-yard bootleg by quarterback Michael Simmons and a pass interference penalty against the Rebels defense.

Marcus Cook notched the touchdown on a 9-yard run, and although the two-point try failed, the Bulldogs owned a 12-0 lead with 1:58 left in the opening stanza.

Marcus Cook scored his third touchdown of the night on a 6-yard run and Steve Wise converted the two-point try, giving Kinston a 20-0 lead with 2:09 left in the half.

Kinston threatened again in the closing seconds of the half and got as close as the 7C 15-yardline behind the passing of Michael Simmons and the running of Marcus Cook, but time ran out on the Bulldogs and at the half they still owned a 20-0 lead.

Zion Chapel fumbled the ball away on its first possession of the second half, but on its second series began to show signs of life as the Rebels marched across midfield.

A 16-yard gain by Michael Parker and a major distance penalty against Zion Chapel gave the Rebels a first down at the Kinston 30-yardline and gave the Rebels hopes of getting on the scoreboard. The hopes were dashed; however, as three plays later Chris Hodge was sacked for a 12-yard loss by Kinston's Will Rogers to end the drive.

Kinston was ready to add to its lead, and did just that, as the Bulldogs marched 57 yards in 8 plays, using 4:09 of the clock, to score their fourth touchdown of the night.

Marcus Cook had a big 9-yard gallop on first down to get the drive off to a fast start, while Billy Phillips added a 14-yard gain and Cook broke loose for a 10-yard gain to move the Dogs toward the Rebel endzone.

Cook got his fourth touchdown of the game on a 5-yard run and Phillips was true on his p.a.t., giving the Bulldogs a 27-0 advantage with 3:39 left in the third quarter.

Kinston got the ball back when Jeremy Clark recovered a Rebel fumble at the 2C 27-yardline, and this time it took only one play to reach paydirt, as on first down Billy Phillips darted 27 yards for the touchdown. Phillips missed the extra-point try, but Kinston was in complete command with a 33-0 lead.

The two cross-county rivals swapped punts for much of the fourth quarter, with Zion Chapel winding up with the ball at their own 47-yardline with 2:42 left in the game.

The Rebels were trailing by 33 points and there was only two minutes left in the game; however, the Rebels showed that they too had pride in their team as they marched 53 yards in 7 plays to score for the first time this season!

Roy Stewart got the drive off to a fast start with a 15-yard gain, while Jeremy Till bolted for 13 yards to give the Rebs a first down at the Kinston 25-yardline.

Two plays later, Chris Hodge passed 11 yards to tight-end Jerry Johnson and the Rebs had a first and goal at the 7-yardline. Till galloped into the endzone on third down and the Rebels were on the board.

A two-point try failed, and at the final horn Kinston had the win 33-6. Kinston had two backs go over the 100-yard mark, as Marcus Cook gained 122 yards on 18 carries and scored 4 touchdowns, and Billy Phillips rushed 14 times for 117 yards and 1 score.

Michael Parker gained 54 yards on 15 carries for Zion Chapel, while Jeremy Till rushed 8 times for 22 yards and a touchdown.

Kinston's Steve Wise (33) heads through a huge hole in the Zion Chapel defense for a big gain. The Bulldogs claimed their first win of the season with a 33-6 win over Zion Chapel.

Blue Ribbon Saddle Club to sponsor open horse show

The Blue Ribbon Saddle Club is sponsoring an Open Horse Show, Saturday, September 26, 3:00 p.m., at the R. P. Shelley Arena, Hwy. 84 West, Andalusia, Alabama.

Classes include halter, gaited and timed events.

Everyone is welcomed to attend. For more information call 222-7715. No alcoholic beverages.

Ray and LaWanna Flowers, formerly of Elba now living in Crawfordville, Florida, are pleased to announce the arrival of Mark Hummel from Berlin, Germany. Mark will be a member of the Jr. Class at Wakulla High School and living with the Flowers' for the next ten months as part of the Exchange Student Program.

Mark's request for U. S. host parents was that they live near the coast so he could continue to windsurf and they have a dog.

During the year, Mark will learn all he can about football, Florida State style, and hopefully see some areas of America that he has studied in his Geography classes in East Berlin.

Mark is so happy to have the opportunity to attend school in America with his host brother, Eric. He will share some of his feelings about being in Germany when the Wall came down and Communism ended in his beloved country.

Mark has already learned to love fishing, since visiting his host grandparents, George and Evelyn Hout and Mrs. Flournoy Whitman and Mrs. Pearl Flowers, a few weeks ago. However, it may take a while to learn all of his host relatives because there are so many living in Elba.

He returned two fumbles for a total of 40 yards, with each stopping Central Missouri drives deep in UNA territory.

The 6-foot, 207-pound McKinnon played linebacker, running back, tight end and defensive back for Elba High School.

North Alabama, now 1-0, opens its Gulf South Conference schedule Saturday at home against Mississippi College.

College Corner

By Phillip Miles, Sports Writer

Last weekend had a few surprises around the SEC as LSU drubbed Mississippi State and Tennessee stunned Georgia, between the hedges in Athens. Alabama continued to win without much of an offense, and one of these days the Tide defense won't be able to come to the rescue. Auburn regained a small measure of pride by pounding Little Samford.

Week #3 may provide some reality as to who are the true powers, and who may be called the also-rans, in the conference.

Alabama goes to Little Rock to play Arkansas and this one may be a real battle. The Razorbacks ran roughshod over South Carolina Saturday night to give new coach Joe Kines a sweet victory. The guess in this corner is that the Hogs are rejuvenated and will be a force to reckon with in the SEC. The Citadel loss is a painful memory that will live in infamy in Razorback land, but this week may make it a little easier to bear. In an UPSET...Arkansas 21 Alabama 20.

LSU made a statement last weekend beating Mississippi State and this week it will Auburn that will play the unwilling role of sacrificial lamb as LSU will take the win 21-14.

Florida and Tennessee will clash in front of over 100,000 fans in Knoxville, and Florida was warming up down in Gainesville last week, while the Vols were fighting it out in Athens. The Gators take a bite out of the Vols 31-17.

Ole Miss is 2-0 and 1-0 in the SEC, while Vanderbilt is 1-1 and 0-1 in the conference. The game is in Nashville and from this corner I see Ole Miss limping home with a 30-24 UPSET loss.

The crystal ball hit on 7 of 10 picks last week, and now for this week's picks - Georgia 49 Cal State Fullerton 7, Indiana 28 Kentucky 13, Mississippi State 24 Memphis State 20, East Carolina 27 South Carolina 24.

Brunson is the public address announcer for Dale County this season, and has a step-daughter, Pam Green, on the sidelines as a cheerleader.

Brunson was a former P.A. announcer at Zion Chapel High School.

There are two times in a man's life when he should not speculate: when he can't afford it, and when he can.

Bonnett takes final leg of "Six-Pack" series at SAMS

The South Alabama Motor Speedway was the place to be again Saturday night as 69 of the fastest stock cars around took to the track for races in five classes.

Eighteen cars hit the track for the final leg of the Coca Cola Six-Pack Series, for Late-Models, and claiming his second win of the six race event was Hueytown's David Bon-

nett. Dothan's Wayne Newton was second, followed by Doug Thorpe, Junior, of Pace, Florida.

The race was delayed almost 45 minutes due to a sudden shower and

Next time the fans will no doubt remain in their seats and let the professionals at the track do their work, and get the racing back underway!

The Scrambler Feature was a 16-car event, with the winner being Arton's Alan Lucas, followed around the finish line by Luverne's Royce Watson and Arton's Kelley Willoughby.

The Super Stock Feature drew 14 cars and at the checkered flag it was Enterprise's Arnold Woodham getting the win. Opp drivers Dennis Cook and Scotty Ginder placed second and third, respectively.

The track was packed as 21 cars competed in the Pure Stock Feature and it was quite a race as Enterprise's Mike Hussey took the checkered flag, finishing ahead of Opp driver Terry Butler and Randy Richburg.

There are two times in a man's life when he should not speculate: when he can't afford it, and when he can.

—Mark Twain

SENTENCE COULD BE 10 YEARS TO LIFE IN PRISON

Crawford found guilty of murder

by Marvin McLwain
Editor

A Coffee County jury of seven women and five men took just over an hour to return a guilty verdict against John Vernon Crawford, age 22, of 315 Buford Street, Elba, AL. Crawford was on trial for the murder of Ollie Ray Bush, age 45, of Opp, AL.

The trial which began on Monday afternoon, September 14, lasted less than three days with the verdict coming mid-afternoon Wednesday, Sept. 16.

Crawford could face a sentence of 10 years to life in the state penitentiary.

Testimony by state's witnesses showed that Bush's lifeless body was found at approximately 3:10 a.m. on Sunday, October 6, 1991.

The body was discovered in the backyard of Crawford's brother, Brandon Crawford, who resides at 357 Brunson Circle in Elba. An automobile belonging to the victim was also in the backyard.

A forensic pathologist testified that Bush died of blunt force and sharp force trauma to the head and neck.

Dr. Alfredo Paradis said, "The base of his (Bush's) skull looked like a crushed eggshell."

Witnesses testified that Crawford had been with Bush on Saturday night, October 5, 1991, and had left an Opp night club together. A third individual, Eddie Hudson, was also seen with Crawford and Bush.

According to testimony, Hudson was found asleep in the back seat of Bush's vehicle at the crime scene.

As the state built its case against the defendant, forensic experts testified that blood splatters found on a left tennis shoe belonging to Crawford was Bush's blood type. This was determined by using a DNA

procedure known as polymerase chain reaction.

The most damaging testimony came when a former girlfriend of Crawford's, Janice Jones Sasser, took the witness stand.

According to her testimony, Crawford told her that he had killed Ollie Ray Bush.

She said that when she first asked him if he had anything to do with Bush's death, he told her that he did not. She testified that this occurred in a phone conversation with Crawford approximately 3 weeks after the murder took place.

He told her that he had left the bar with a woman on the night of October 5 and that she brought him home. Along the way, they had stopped and had sex.

Mrs. Sasser further testified that about 3 weeks after they had the first conversation, Crawford told her that he had killed Bush.

She stated that Crawford told her that he and Bush got into a fight over some money and that Bush grabbed him by the throat and told him that he was going to kill him.

Sasser further testified that Crawford told her that he beat him (Bush) with a bat or stick and stabbed him.

Continuing, she testified that Crawford told her that he went to the house of his brother, Randy Crawford, and told him what he had done.

His testimony further revealed that Crawford told her that he hid in a closet at his brother's and changed clothes. He then wrapped himself in a blanket and hid in the woods.

Earlier testimony showed that when Crawford was located and questioned by police, he was wearing a pair of ladies blue jeans. He testified that his mother had bought them for him to use on his job as a painter.

Crawford later took the stand and denied telling anyone that he had

killed Bush. He testified that the woman's name that he had left the bar with was Mary.

All attempts by authorities to locate "Mary" failed. Assistant District Attorney Bill Barr, in his summation to the jury, contended that "Mary" could not be found because she did not exist.

Barr also told jurors that if they were on trial for murder, and had an alibi witness, they certainly would leave no stone unturned in attempting to locate him or her.

Crawford had testified that "You just don't go looking for a man's wife." He contended that "Mary" was married.

Defense Attorney David Harrison told the members of the jury that more evidence pointed to Hudson than at Crawford.

He contended, throughout the trial, that no one saw Crawford at the crime scene until sometime after Bush's body was discovered. Hudson was found at the scene of the crime by police officers.

Harrison said that law enforcement officials were on a "witch hunt."

When the verdict was read, several of Crawford's family members were visibly shaken. Crawford lowered his head and hid his face with his hands.

Harrison gave notice to the court that an appeal in the case would be filed by him on Crawford's behalf.

Crawford was returned to the Coffee County Jail in New Brockton. He has been in jail since his arrest on April 15th, unable to post his \$75,000 bond.

Circuit Judge Terry Butts has scheduled a sentencing hearing for Thursday (today), September 24 at 1:30 p.m. in Elba.

Members of the Claude E. Dorsey family and School of Medicine officials gathered in May to pay tribute to the late Mrs. Claude E. Dorsey, Jr., a long-time supporter of the school. The group includes, from left, Susan Dorsey Fleming, Stacey Dorsey Cooper, Tina Meadows Dorsey, and Dixie Hayes Dorsey; back row, from left, Asst. Director for Financial Aid Mark H. Martin, Claude E. Dorsey, IV, Claude E. (Pete) Dorsey, III, Consultant Henry H. Hoffman, and Director of Medical Student Services James R. Boyce.

FINANCIAL AID FOR UAB MEDICAL STUDENTS

Scholarship honors Mr. & Mrs. Dorsey

Over the past 31 years, gifts from the Claude E. Dorsey, Jr. Scholarship Trust Fund has helped 121 students on their way to becoming doctors.

More than \$150,000.00 in obligation-free scholarship money has helped young medical students realize their dream.

After her husband's death in 1957, Mrs. Dorsey established the scholarship trust fund in his memory.

The resolution states: Mrs. Dorsey's generosity enhanced the provision of health care for the citizens of Alabama by helping to educate a number of the state's outstanding physicians.

Everyone who was involved with applying for and administering this scholarship always enjoyed her yearly visits to personally interview each recipient. Her presence at the Dorsey Scholarship Meeting will be sorely missed.

The new name is to be the Mr. and Mrs. Claude E. Dorsey, Jr. Memorial Scholarship. A resolution for the name change has been sent to the Board of Trustees.

The run-off between Creel and Lewis will be held on Tuesday, October 13, 1992.

Tuesday's election was a result of a ruling on July 27 by U.S. District Judge Marion Thompson that the June 2nd primary was invalid.

He ruled that the vote was held without necessary redistricting lines being drawn by county officials.

Now, with the death of Mrs. Dorsey last December 9, plans are being made to change the name of the scholarship to help recognize her contributions to the University of Alabama at Birmingham School of Medicine.

Tuesday's election was a result of a ruling on July 27 by U.S. District Judge Marion Thompson that the June 2nd primary was invalid.

He ruled that the vote was held without necessary redistricting lines being drawn by county officials.

Now, with the death of Mrs. Dorsey last December 9, plans are being made to change the name of the scholarship to help recognize her contributions to the University of Alabama at Birmingham School of Medicine.

The new name is to be the Mr. and Mrs. Claude E. Dorsey, Jr. Memorial Scholarship. A resolution for the name change has been sent to the Board of Trustees.

The run-off between Creel and Lewis will be held on Tuesday, October 13, 1992.

NEW FLAGS FLY...on the main flag poles at Elba Elementary and High Schools. Pictured above are: (l-r) Larry Bradshaw, president of the Elba Woodman of the World Lodge No. 1932; Dale Crowe, assistant principal of Elba Elementary School; Charles Pearce, superintendent of Elba City Schools; and Donna Stokes, secretary of the local WOW Lodge. The organization presented flags to each room in both the high school and elementary school. They also will furnish flags and stands to be used in each of the school's auditoriums.

MOST ELBA FOOTBALL FANS seem to be enjoying the happenings on the football field last Friday night as the Elba Tigers shut out an always competitive Laverne group on the gridiron. On the top row is a fan with a horrified look (and her hands) on her face, but it is just Mrs. June Grantham, mother of the Elba starting quarterback. Mothers are just natural worriers and Mrs. Grantham is no exception. In spite of her concern (or because of it) Elba won the game and there were no major injuries to the players.

VOTERS IN DISTRICTS 2, 4 & 5 RETURN TO THE POLLS FOR 3RD TIME

Brooks & Hanson win outright - Creel & Lewis in run-off

by Marvin McLwain
Editor

Once again the voters in Districts 2, 4, & 5 in Coffee County returned to the polls to select a Democratic nominee for county commission.

In District 2, the voters also had to choose a Republican candidate for commission to run in the November General Election.

Of the 9196 registered voters in the three districts voting, 2340 or 25% went to the polls to exercise their voting rights.

James L. Hanson won the right for the third time to become the Democratic nominee for Coffee County Commissioner in District 4.

Hanson once again defeated Marvin M. Brown, this time by a vote of 437 to 245. He will be opposed in the November general election by Republican nominee Foster Motely.

Hanson defeated Bowden by a vote of 400 to 342 in the June 30th run-off. The margin of victory was

greater in Tuesday's election.

In District 5, Bernest "Toe" Brooks once again defeated Damascus Crittenden, Jr., the incumbent, to become the Democratic nominee. The vote was 437 to 366.

Brooks' margin of victory was 64 in the June primary. This time, the margin was by 71 votes.

The District 2 race for county commissioner was a little more interesting. There were 5 individuals vying for the Democratic nomination.

The vote on Tuesday was as follows: Lawrence Creel led with 336, Kayo Lewis was second with 277, Stirling Jirright - 118, Hershel D. Benefield - 16, and Ray Crawley 12.

Benefield was a newcomer in the race for District 2 seat on the Coffee County Commission. Joe Glisson, Sr., Milford Head, Murrell Johnson and Willard Smith chose to stay out of the race the second time around.

Creel and Lewis will have to run a it off for the Democratic nomination.

In the June 2nd primary, there were 8 qualifiers in the race. In that election, the field was narrowed to two - Kayo Lewis and Lawrence Creel.

Creel defeated Lewis in the June 30th run-off by a vote of 415 to 344.

On the Republican side, Roy G. Hilton defeated Wayne O'Ferrell by a vote of 90 to 6. Last time, the vote was 130 for Hilton and 39 for O'Ferrell.

Hilton will face the winner of the Creel-Lewis run-off in the November general election.

Homecoming Parade categories announced

Elba High School's annual homecoming parade will begin at 4:00 p.m., Friday, October 9, 1992. Awards will be given in the following categories:

1. ELBA HIGH SCHOOL FLOATS (grades 7-12). This category includes any class or club entry associated with Elba High School. The Queen's float will not be in competition.

2. ALL OTHER FLOATS. This category includes any club or organization not sponsored by Elba High School.

***Only entries listed on the official line-up will be in competition. In order to be in the line-up call Elba High School before the deadline, October 6.

Please contact the school office at 897-2266 to enter the parade.

HELPING SCHOOLS TAGS...on sale at local couthouses. Pictured above is Kris Scarborough, president of the Elba PTO (left) is shown purchasing his "Helping Schools Tag" from Coffee County Probate Judge Marion B. Brunson. The charge for the tag is \$15.00 in addition to the normal fees. According to Chief Probate Clerk Nell Harvison, \$14.62 of the \$15.00 goes directly to the local school district in which the tag buyer resides. In Scarborough's case, it is the Elba City Schools. Local officials are encouraging any citizen wishing to help fund education to use this method. The tags are a little more attractive than the standard tag.

Elba City Council certifies municipal run-off election

by Ferrin Cox
Publisher

The Elba City Council met in special session on Wednesday, September 16 to certify the results of the mayoral election of the previous day. The council certified the election which saw newcomer Ricky Haywood defeat incumbent Mayor Fred Moore.

All members were present except Council member Bill Brunson, who was out of town.

In other business the council approved payment of monthly bills totaling \$14,514.88.

The council also passed a resolution allowing rehired former employees to retain their years of employment and other benefits.

In presenting the resolution, City Clerk Pat Boothe explained it was to legalize a practice which has been used since the council enacted the merit system in 1984.

She gave council members a list of at least 18 employees, including 13 current employees who were rehired after a break in employment and given the benefit of reinstating their longevity.

The sitting council has one more regular meeting scheduled on September 28, before the new administration takes office.
